

# MultiChrome™

## Veterinary Micro Incubator

**Digital incubator with six assignable, built in timers.**  
**Precise 24 hour incubation that alerts you when completed!**

The Kacey® Micro Incubator is the perfect companion to the MultiChrome™ microbiology system with its adjustable controlled heat at 98f / 37c and Patented, unique use of individual timers. No more guessing. Just *Load... Press Timer...and Walk Away!*

### MultiChrome Micro Incubator:

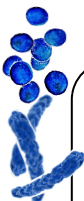

- Small foot print (8"w x 11.8"d x13"h)
- Precise temperature control
- Digital read out
- Trays cradle all forms of dishes
- Six individual timers
- Audible/Visible alerts
- 10 Min Pre-Heat for warming plates
- Energy efficient, UL listed
- Metal construction
- 1 Year Warranty
- Made in USA

Each timer indicates **“Green”** during the 24 hr timing event and then turns to **“Red”** with audible sound when ready to read.

Contact us or your local Kacey Diagnostics dealer for more information about the MultiChrome™ Micro Incubator.
